

MSD Frames Refresh

August 2020

Process

Remember that you select from the range of models available only those which you would like to carry in your practice and which would better match your customer demographic.

Below in the document are:

- The current Frame Range
- Images of the 3 new frames
- Images all the current/phasing out options

Next Steps

- Identify which of the 3 new models that you would like to carry in your practice for the MSD program
- and order those from VMD using the form
- Order any other frames that you may want to stock as well by adding them below the 3 listed in the VMD Order Form

Any questions

- Please call Neil Human: 09 302 0820
